

Radiowa

Radiowa is the only true music restaurant left in Opole! Since 2009, it has regularly hosted artists from Opole and beyond.

During the Opole festival, Radiowa is where you can meet famous Polish performers, get their autographs and, if you are lucky, get a photograph with your favourite musician.

The restaurant's atmospheric garden becomes an extension of the amphitheatre's scene thanks to live coverages of concerts. Outside of the festival, Radiowa offers great entertainment in the form of live music every Saturday evening. All major genres are covered here, from pop to jazz.

Radiowa is a place where great dishes materialise in delicious and flavourful forms. The modern takes on Polish classics served here are sure to satisfy both culinary traditionalists and those who follow modernist cooking trends.

Radiowa offers 85 seats, which increases to 144 in summer when the garden becomes available. The venue is also a perfect place for conferences, training sessions and special events as it also offers a well-equipped multimedia room.
