

Kofeina

The café was established in 2009 and was originally located in a venue on Tadeusza Kościuszki Street. Back then, it was one of very few places in Poland where you could enjoy genuine, 100% arabica coffee. The owners eventually decided to reopen the restaurant in Theatre Square, dubbing it KOFEINA 2.0. In addition to a wide range of specialty coffee drinks, it serves natural tea and delicious dishes made with fresh and high-quality ingredients. All desserts and cakes are made on site. The café also offers a wide range of alcoholic beverages – craft beer, wine from around the globe, many types of single malt whisky and classic cocktails. The atmosphere is pleasant, the dress code casual, and the staff is professional, making for a one of a kind experience. Come see for yourself.
