

The Pasta Food Company

Industry

Pasta Food Company is part of Ter Beke, a company which specialises in ready-made meals and meat products. Apart from its Polish plant, Ter Beke operates production facilities in Belgium, the Netherlands, France and the United Kingdom, employing approx. 2600 people. Many years of experience, constantly evolving products and technologies, as well as skilled staff are what make Ter Beke an industry leader. Pasta Food Company was established in 2011 as a joint venture between Ter Beke and the French company Stefano Toselli, with a share capital of PLN 40 million. A factory equipped with state-of-the-art machinery was built in the Wałbrzych Special Economic Zone in Opole, featuring ample storage space and an administration part. Since it began manufacturing in 2014, the company has been consistently expanding its product range and distribution channels, creating new jobs in the process. The company's mission is to develop the market of chilled prepared pasta meals in Central and Eastern Europe by providing consumers with the highest-quality products at affordable prices.
