

The Railway Station

Dla Turysty

[Map](#)

Years ago, it was mainly the artists from all over the country who would come to Opole by train. Joyous, musical trains were full of fans who accompanied their idols to the June's musical festivities. The Railway Restaurant was the only place in town where one could eat and drink at the wee hours of the morning before embarking on a return journey.

The next stop on our route is the Mercure Hotel, situated opposite the train station.
